Signed up for an ACA plan for the first time this year (2018), and thought it was a HDHP compliant plan. Turns out it isn't, max out of pocket is over limit. I already had a HSA for life account from my previous employer insurance. So, unwittingly, I contributed the maximum in January and have paid out most of that amount throughout the year.

Point is, Trump is not a bright man. He's damned useful, though, as the front for the real power, 2019's Asshole of the Year Moscow Mitch McConnell. As Senate Majority Leader, McConnell has devoted every scrap of energy at his disposal to the active dismantling of the American political, social, and economic infrastructure.
