The three day weekend was wonderful for our two kids, Emma (six) and Tommy (four). We played in the snow, played board games, ate frozen pizza, and watched 'Shrek' ten times. We built a fort under the dining room table and I read stories to them each night before bedtime. Reality set in my brain Sunday night as I was trying to go to sleep.

Miss BG (short for Big Girl), is a 3-D animated series based on the "Gudule" French children's book series published by Hachette-Junesse, authored by Fanny Joly and illustrated by Roser Capdevila. The original English version was later dubbed in French under the retitile Bravo Gudule. The title was copyrighted in 2004 and production began in 2005. It is a joint Canadian/French production and ...

The Most Meaningful Gifts for Kids Who Have Everything

This is not seen in 3-year-olds. Questions and nap or bedtime are sources of stress in 3-year-olds. A 3-year-old continually asks "Why?" and is upset if trusted adults do not respond or do not know the answer. This child may also fear bad dreams, the dark, or missing out on some fun while asleep. These are not sources of stress in 4-year-olds.
