James' happy life at the English seaside is rudely ended when his parents are killed by a rhinoceros and he goes to live with his two horrid aunts. Daringly saving the life of a spider he comes into possession of magic boiled crocodile tongues, after which an enormous peach starts to grow in the garden.

When James accidentally spills the crystals on his aunts' withered peach tree, he sets the adventure in motion. From the old tree a single peach grows, and grows, and grows some more, until finally James climbs inside the giant fruit and rolls away from his despicable aunts to a whole new life.

The mayor calls for a parade to celebrate James, the bugs, and the giant peach. During the parade, James gives a little girl permission to eat some of the peach. Within minutes, hundreds of children flood the street to get a bite of the peach. When they're done, only the pit is left.
