Verizon Wireless has licensed the term "Droid" for its line of smartphones based on the Android operating system. Motorola's late-2009 Google Android-based cell phone is called the Droid, and this line of phone has been expanded to include other Android-based phones released under Verizon. The term is used under license from Lucasfilm.

A hybrid vehicle is one that uses two or more distinct types of power, such as submarines that use diesel when surfaced and batteries when submerged. Other means to store energy include pressurized fluid in hydraulic hybrids.. The basic principle with hybrid vehicles is that the different motors work better at different speeds; the electric motor is more efficient at producing torque, or ...
