Jawaharlal Nehru (/ˈnɛːru, ˈnɛrʊ/; Hindi: [ˈdʒəʋaːɦərˈlaːl ˈneːɦru] ; 14 November 1889 – 27 May 1964) was an Indian independence activist and, subsequently, the first Prime Minister of India, as well as a central figure in Indian politics both before and after independence. He emerged as an eminent leader of the Indian independence movement, serving India as Prime Minister.

The danger to India, mark you, is not Communism. It is Hindu right-wing communalism. (Jawaharlal Nehru, a Biography; by Sankar Ghose, p 180.) Also quoted in part in Nehru: The Invention of India: Shashi Tharoor, and in S. Balakrishna, Seventy years of secularism. Communalism of the majority is far more dangerous than that of a minority.

Every political and non-political entity in Pakistan accuses its opponent of being funded by India and Israel. The reason is simple — designating your foe as the best friend of your national enemy works like a charm, all the time. So we shall stop fighting the obvious and see for ourselves how India and Israel have, throughout history, funded everyone in Pakistan.
