[The Anatomy Of Corporate Law](#)

Corporate law (also known as business law or enterprise law or sometimes company law) is the body of law governing the rights, relations, and conduct of persons, companies, organizations and businesses. The term refers to the legal practice of law relating to corporations, or to the theory of corporations. Corporate law often describes the law relating to matters which derive directly from the ...

Grey's Anatomy is an American medical drama television series that premiered on March 27, 2005, on the American Broadcasting Company (ABC) as a mid-season replacement. The fictional series focuses on the lives of surgical interns, residents, and attendings as they develop into seasoned doctors while balancing personal and professional relationships. The title is an allusion to Gray's Anatomy, a ...

A brief anatomy of a creditor initiated liquidation process is included at the end of this guide. When is a company insolvent? The Act provides a number of grounds on which a company may be wound up, including that the company is unable to pay its debts. This is typically the ground relied upon by creditors seeking to wind up an insolvent company.
